

Geocache sites between Whitehorse and Skagway

Your challenge is to find all 11 Geocache sites using your GPS, c.d. liner map, and clues from the audio tour section of this c.d. If you have trouble locating a cache site, reflect the liner notes in a mirror to decipher more clues. Cache # 1 is located near Whitehorse, while cache # 11 begins in Skagway. You can follow the map in either direction while listening to the audio tour for clues along the way. Please take an item from the cache and replace it with something new. Once you have found all the locations, please visit the danielhalen.com website to register your findings. We hope enjoy the music, adventure, and scenery along the way.
